Re: Continued Discussion of the Southern Expansion of the Monterey Bay National
Sanctuary

Dear Mr. Dourus and Ms. Harlan:

I am writing to request the continued discussion of expansion of the Monterey Bay National Marine Sanctuary further south in our county. My constituents have voiced overwhelming support of this expansion and I encourage you to place this item on the agenda for your next meeting in August, which will be held in Cambria.

There has been much input from a small but strong vocal minority regarding this issue and others have told me they would like the chance for further input and discussion.

Please contact me if I can be of further assistance.

Sincerely,

SHIRLEY BIANCHI
Supervisor, District Two
